- [FORM 1 CFUW Member \(Club\) Proposals](#)

Every two years CFUW members are able to vote for candidates who have been nominated by a CFUW club for election to the CFUW Board. At the end of the 2024-26 biennium, a new Board will assume office at the end of the AGM in Montreal, July 2026. The Nominations Committee invites nomination applications for all Board positions. Any CFUW members in good standing who are qualified and interested in running for a board position are encouraged to have their clubs to submit a Nomination Form along with their applications.

Complete details about the CFUW's bylaw amendment and nominations process will be in a Special Newsletter mid-November.
