

CFUW AGM CREDENTIALS FORM - DELEGATE OR PROXY**SIGNED AND AUTHORIZED FORM TO BE FORWARDED TO CFUW****Voting at the CFUW AGM**

If your Club is in good standing – that is, it has paid its 2025 dues and is in compliance with CFUW’s Bylaws – it is entitled to vote on business arising at the upcoming CFUW Annual General Meeting.

In order to cast the votes to which your Club is entitled, your Club MUST either:

- A. Appoint a Club Delegate who will be attending the CFUW AGM, OR
- B. Appoint a Proxy – someone outside your club who will be attending the AGM and who will act on your Club's behalf, if there is no Club member to attend.

Who can be a Proxy?

Your club can appoint anyone to serve as its proxy. Often, clubs choose to give their proxy to their Regional Director or a delegate from another club.

In light of technical limitations, delegates can only vote on behalf of ONE CFUW Club.

What is the credentials process?

- A. In order to vote, the Club delegate/proxy must ensure that they have submitted the completed credential/proxy form to the national office.
- B. This form must be completed to name either your Club's authorized delegate OR its authorized proxy.
- C. The Club Officer must submit the form by June 24th, 2025.
- D. National Office will confirm the information on this form, and ensure that the delegate is allotted the proper number of votes to which your Club is entitled.

How many votes is our Club entitled to?

The number of votes your Club is entitled to cast is based on the number of members your Club reported and for which CFUW dues were paid at the most recent CFUW year-end. Voting at the AGM supports the decision-making and democratic process of the organization.

Credentials and Proxy Form: Must be filled out by Club’s representative by June 24th, 2025. **THIS FORM IS FOR VOTING DELEGATES ONLY. IF YOU ARE NOT VOTING PLEASE DO NOT FILL OUT THIS FORM.**
