- Karen**Support girls' education with the GWI 105-year Heritage Fundraising Wall**

*"It is coming up to the last chance to be a contributor to the GWI 105 celebration Heritage Fundraising Wall. It truly is a personal thrill to see all the countries, groups and individuals who have contributed to it. As well as the wonderful financial brick gift, what is also exciting is seeing the names of members, known NFAs and friends. So...here is your last chance...it will close at the end of July as that is a year from the birthday. There are some rather large bricks there that need filling plus, due to a request I have added a \$50 brick to make participation more accessible. We plan to project it up on a real wall at the conference centre Lusaka on 11-13 September 2025," says Dr. Shirley Gillett, GWI VP Education.*

without leaving happier."***
