Call for Nominations for GWI Board of Officers and Standing Committees

The deadline for submitting applications and accompanying forms is 30 April 2025.

(This is the first and only Call for Nominations for the Board of Officers and Standing Committees)

The 2023–2025 Graduate Women International (GWI) Board invites all members in good standing to express their interest in serving on the GWI Board of Officers and its Standing Committees for the 2026–2028 Triennium.

As an organization with over a century of commitment to advancing education for women and girls, GWI promotes leadership in peace and human rights and strengthens international cooperation among graduate women working toward these shared goals. Service on the Board and Committees requires individuals with demonstrated dedication and relevant expertise to support GWI's strategic direction, sustainability, and impact.

Incoming Board and Committee members will participate in a structured Orientation Session and receive ongoing guidance from the Governance Committee to ensure informed and effective leadership throughout the Triennium. The current Board encourages all eligible members to consider this opportunity to contribute to GWI's global mission.

As per the GWI constitution Article VII, Section 5.1:

The two Assistant Treasurers proposed by the Swiss and Canadian NFAs, will be appointed at the General Assembly.

The Convenors and Members of the Special Committees e.g., the Fellowship Committee, the Resolutions Committee and the Hegg Hoffet Fund will be appointed by the Board of Officers.

Executive Board Job Descriptions, Committee Terms of Reference, Candidate Endorsement Form, Nomination Form, and BioData* Forms can be found below:
