

CFUW Membership Grants Fall 2025

This Fall we had 23 club applications for the Membership Grant to support new Branding or New or Recurring Projects/ Activities. We awarded 13 grants worth a total of \$4000 to small, medium and large clubs from NS, QC, ON, AB, and BC whose request showed their actions supported their members and increased CFUW awareness in the community yet struggled to have sufficient financial or people resources to realize their potential.

Updating Branding—4 clubs at \$250 each (\$1000)

CFUW Membership Grant Honorary Mention FALL 2025

Though we do not have the funds to offer all clubs a full grant, we value their actions and desire to do even more. We were able to offer the smaller clubs a small amount of money in recognition and appreciation. For all clubs, especially the larger clubs who we could not offer money, we celebrate their continued energy and contribution to their communities and CFUW.

We really appreciate that the National Office donated their \$1000 in the budget set aside for special Membership work (above and beyond their National Office's daily work!) to use for Membership Honourable Mentions.

Ten clubs received an Honorary Mention:
